1/3" Bullet Cameras

Perfect low cost solution for outdoor surveillance applications !
Completely weatherproof design !
Live and vivid picture quality with a 1/3" CCD technology !

2002

Weatherproof Camera

The 2002 is a superb camera. Weatherproof black aluminum case. Using a 1/3" Sony CCD.

Weatherproof housing provides it for outside or inside applications. It meets highest requirements and offers an outstanding picture quality even under poor light source.

It features 400 TV Lines of high resolution and 0.1 lux of excellent low light sensitivity.

It comes with a small cable with a RCA connector for video and a DC jack for power at the end. Under perfect picture quality, small size, strong metal structure and easy solution for installation.

There is no need to look for other cameras in professional applications.
